**Complaint of Over Limit Contributions and Request for Audit - Obama for America (C00431445) and Obama Victory Fund (C00451393)**

**Update of 2008 Campaign Donation Exceedances of \$4,600 Limit  
(Supplemental Update to MUR 6142)**

Dear Sir or Madam:

This is a supplemental update to complaint MUR 6142 regarding the over limit campaign contributions and other irregularities of the Campaign Finances of Obama for America (C00431445) and Obama Victory Fund (C00451393). As of the 2011 Year End FEC Report from Obama for America and the Obama Victory Fund, it is apparent that there has been little to no corrective action taken on our complaint.

It is very disturbing that a president so flagrantly flouts the regulation of campaign finances. We are now starting another Presidential Campaign cycle and something must be done. These campaign records contain errors and obviously invalid information on donors. There are many donors with contribution sums that are negative by more than the minimum reporting limit. And while there are fewer than 700,000 unique donors in the database of over 2.6 million records, \$259 Million is listed as Unitemized Donors. Are these abuses to be allowed to continue?

We have continued to review the 2008 Campaign Finances of Obama of America for an accurate cross referencing of donors to the campaign and updated it with the most recent filings, through the year end 2010. At this point we have identified 1,492 donors with totals over the limit of \$4,600 for the two campaigns of 2008. Approximately 358 donor accounts have been resolved but now there are 151 more. The total amount over the limit is still \$1.94 million. How is this not outright illegal?

The records for the 1,492 over limit donors are totaled and enclosed on CD as Table I in an Excel Spreadsheet. For your convenience, the records are listed with the record ID and the FEC report number that they were extracted from. A printed table can be made available upon request.

Table I also shows subtotals for the Primary and General Campaigns. Exceedance of the \$2,300 per campaign limit is also apparent and would suggest even higher total exceedances. There are even more donors in the database with individual campaign totals over \$2,300 that are not listed in Table I, as they do not exceed the \$4,600 limit.

The American People need an audit of the Obama for America (C00431445) and Obama Victory Fund (C00451393). We are depending on the FEC to assure compliance with fair practices.

Please audit the Obama Presidential Campaign Funds. Thank you for your time and consideration.

Yours Truly,
